Also read his The Midwich Cuckoos on similar themes. 4. Margaret Atwood, Hag-Seed: A Retelling of the Tempest. Given the author is so famous, it's strange this book hasn't received more attention. Perhaps that is because it requires a reasonable degree of familiarity with Shakespeare's The Tempest, worth the reread if.  
Other studies also conclude that during periods of lowered sea level over the last 100,000 years, Adam's Bridge has provided an intermittent land connection between India and Sri Lanka, which according to famous ornithologists Sidney Dillon Ripley and Bruce Beehler supports the vicariance model for speciation in some.
