16 Aug 2012 . And I highly recommend the short stories of Julio Cortázar. They remind me of Quim Monzó, who I have to believe is familiar with Cortázar's writings but whose own work – while it contains similar games and puzzles – doesn't have the same goals. The stories in All Fires The Fire are warm and the.

Fires do that to you. Fires keep the rest of the world outside. Fires create a sense of intimacy and the contact is automatic. Time to listen to each other's stories. . An electric fire immediately produces an atmosphere in a home, but also in a hotel or an office, and is suitable for all rooms that could do with atmosphere and.

25 Jun 2013 . Perhaps because I read a few amazingly written books before this one, I wasn't very impressed with Cortazar's writing as a whole. Though, he does have his moments. But, that's not why you should read him. There is a depth in his expression that I've never encountered in any other stories. He chooses.

7 Sep 1973 . A spray of short stories — just eight this time — by the skillful Argentinian illusionist, described as more ""accessible"" (i.e. intelligible) than some of his major works, although once again there will be the familiar jumpshift of roles and realities (in the title story) or an existentialist survival game — cf.
