Descripción

La reclamación de paternidad, presentada por el capitán del ejército en la reserva, Don Estanislao Azumbre de Tejada, contra el fallecido Marqués Don Sancho Vellochino, tras el hallazgo de un documento revelador, en la caja de calcetines donde su difunta madre guardaba sus cosas, pone a los titulares del marquesado del Barranco de los Cernícalos, en riesgo de perder el mismo. Desentendida del asunto desde el inicio, Doña Rocío Entrepiedras Vellochino, La Marquesa, no dudará en ponerse de parte del militar, en su reclamación, para acabar dejando boquiabiertos, a los estafalarios personajes que aparecen en el cuento. Como las anteriores obras del autor, pretendidamente humorísticas, este relato absurdo, no tiene otro objeto que el de distraer al lector. Si además de ello, alguien llegara a pasárselo bien con su lectura, habría valido la pena. En caso contrario, tampoco pasa nada. Que nadie se obsesione. Es solo cuestión de sensibilidad.
