Stern Electronics had sliced up two Lupin movies (The Castle of Cagliostro and Mystery of Mamo) to create a videodisc game ala Dragon's Lair. In the game Lupin was the titular Cliff Hanger. Several years later I was reading a book on Manga and came across a strange character named Lupin III by Monkey Punch.

Dragon Ball introduces a young monkey-tailed boy named Goku (a wry update of the classic Chinese "Monkey King" legend), whose quiet life changes when he meets a girl named Bulma who is on a quest to collect seven "Dragon Balls." If she gathers them all, an incredibly powerful dragon will appear and grant her one.

“But a Dragon Emperor rules Ala'an. He sits upon a throne of gold, and from it he issues the laws upon which the mortals depend. He has, among his councilors, Dragons older by far than he, and he does not waver in the course he set for them when he killed half their number. “It was the last war,” he added softly, “that the.
