NAVAL WAR is a card game of strategy, skill, and luck that is based on World War II naval combat. Each player controls a "fleet" of warships, and attempts to sink the other player's ships. The battleships, aircraft carriers, and battlecruisers of WWII roam the seas again! In this unique card game, three to six players command a.

A wargame (also war game) is a strategy game that deals with military operations of various types, real or fictional. Wargaming is the hobby dedicated to the play of such games, which can also be called conflict simulations, or consims for short. When used professionally by the military to study warfare, "war game" may refer.
