### Descripción

En una pequeña localidad norteamericana comienzan a producirse unos misteriosos casos de la enfermedad de morgellons. Un joven doctor recién llegado, el sheriff de la localidad y un extraño personaje que asegura ser un ex agente de la CIA, investigarán el origen de esta enfermedad.

En esta nueva obra Martin Rae conjuga a la perfección acción con suspense, enganando al lector desde la primera página a la última en una serie de acontecimientos que no dejan de sorprender. Rae demuestra un manejo excelente de la tensión narrativa que provoca en el lector momentos memorables.

Sobre el autor:

Martin Rae está considerado uno de los jóvenes escritores independientes más prometedores actuales. Su estilo directo y ágil unido a su velada crítica sociopolítica actual marcan su prolífica y variada obra, entre las que se encuentran novelas de terror, misterio, ciencia ficción y románticas.

Sus obras ya publicadas son; Asesinato en la casa rural, Extinción zona zero zombie,

Morgellons town, Esclavos de los dioses y El secreto de Debod.
