Descripción

Comienza este relato cuando Watson recibe un telegrama de Sherlock Holmes, mientras desayuna apaciblemente con la señora Watson. El texto dice: "¿Tiene usted un par de días libres? Acabo de recibir un telegrama del oeste de Inglaterra en relación con la tragedia del valle de Boscombe. Me encantaría llevarle. Tiempo y panorama excelentes. Saldré de Paddington a las 11.15 h."

Watson parte con Holmes hacia el valle de Boscombe, una región cerca de Ross, en Herefordshire. A su llegada, el inspector Lestrade de Scotland Yard se encarga de ponerles en antecedentes de lo que, dentro de su miopía habitual, es un caso claro. El joven James ha asesinado a su padre, el granjero McCarthy. Aunque la culpabilidad del joven parece evidente, atendiendo a las súplicas de Alice Turner, hija del millonario John Turner e íntima amiga del joven, por caballerosidad, Lestrade ha solicitado la presencia de Sherlock Holmes. Éste demostrará, una vez más, la ineficacia de los métodos policiales habituales. Gracias a su brillante actuación, saldrá a la luz un sórdido caso de chantaje y venganza, donde el auténtico criminal resultará ser la propia víctima.

I believe that no hell will be lacking which would help the just mercy of God to redeem his childrenвѢќ. Although it would have been nice to have had a few more of the specific chapters there at the end, the book's purpose was fulfilled just in the first hal. I liked this book because it shows the life of Damon and his carrer.
